ALTA II 36" Hood, 300 CFM Blower

The sculpted lines of this Broan Elite under-cabinet range hood brings an exciting, new choice to typical range hood shapes. Wide curves and easy-to-use tap touch controls present a clean, striking design. LED modules included with this hood are the latest in LED cooktop illumination technology specially designed to operate in the elevated temperatures of cooking - offering bright lighting and lasting up to 25 times as long as a standard bulb and greater reliability than typical replacement LED bulbs. Our premium 3-speed capacitive touch controls deliver a powerful CFM of up to 300 - quickly removing smoke, grease, and odors from your range top. Pair this Broan Elite 36-inch range hood with any broan range for the perfect combination in home cooking.

Features:

- Hidden under the cabinet, this sleek and stylish vend hood matches almost every modern or traditional kitchen
- Helps solve all your kitchen ventilation problems with this 36" wide vent hood
- Enhance visibility at your cooking surface with its LED bulb, so you can clearly see what you are cooking
- Give a modern look to your kitchen with this black stainless steel color vent hood
- 2-Level LED lighting brightly illuminates the cooktop below
- Tap-touch, 3-speed capacitive control features a smooth, easy-to-clean surface
- Dishwasher-safe, deluxe micro-mesh filters provide highly efficient grease removal
- Filter clean reminder ensures that your filters are always working at high-capacity
- EZ1 brackets make it easy for single person installation in less than half the time of traditional methods
- ADA compliant remote operation with a standard UL approved wall switch
