4.7 Cu Ft. Top Load Agitator Washer with Extra Power and Pet Pro Option

Boost your laundry cleaning power with the Maytag Top Load Washer with Extra Power and Pet Pro Option to break apart tough stains and filter out pet hair from your clothes. Maximize stain-fighting abilities by adding Extra Power to any wash cycle, including Quick Wash, for speedy, clean results, while knocking out wrinkles before they start with Wrinkle Prevent.

Features:

- **Pet Pro System:** Conquer pet hair like a pro with the Maytag® Pet Pro System. The built-in Pet Pro Filter in the washer visibly removes pet hair, while the lint trap in the dryer traps and removes pet hair, load after load.
- **Extra Power Option:** Extra Power option boosts stain fighting on any wash cycle with an intense pre-wash and extra agitation so you can walk away while stains wash away.
- **Built-In Water Faucet:** The built-in water faucet rinses, spot treats or soaks clothes right in the washer—no extra steps needed. After three hours, the water drains, leaving clothes ready for the wash cycle.
- **10-year limited parts warranty,** see product warranty for details: We don't just tell you a Maytag® washer will get your clothes clean for years: we confidently back our washers with a 10-year limited parts warranty* on the direct drive motor and stainless steel wash basket.
- **Deep Fill Option:** Get more water when you want it with the Deep Fill option. The extra water works with robust wash action to saturate loads, loosen stains and help soak away tough messes.
- **Quick Wash Cycle:** Strapped for time? Using extra high-spin speeds, the Quick Wash cycle cleans small, lightly soiled loads in 30 minutes.* Get clean clothes fast by pairing it with the Quick Dry cycle on matching Maytag® dryers. *Based on a 3-lb load.
- **Auto Sensing:** Auto Sensing adjusts the water level for each load to provide efficient cleaning.
- **Power™ Agitator:** Trust the Power™ agitator to knock the stubborn out of stains. A 360-degree wash action keeps clothes moving to help break up messes.
- **Pet Pro Option:** The Pet Pro option unleashes additional water and a deep rinse to assist the Pet Pro Filter, which lifts and captures pet hair from clothes. Once removed, pet hair is caught in the built-in Pet Pro Filter for a clean you can see.
- **Pet Pro Filter:** The built-in Pet Pro Filter visibly removes pet hair
- **Slow-close glass lid:** Keep track of the action inside your washer with the slow-close glass lid. It offers a clear view of laundry and closes softly without slamming.
- **Maytag Pet Pro Washer:** The Pet Pro Washer is engineered to remove loads of pet hair with the Pet Pro option and built-in Pet Pro Filter.
- **4.7 cu. ft. capacity:** Tackle large loads with 4.7 cu. ft. capacity, enough space to wash 19 towels at once.
- **Extra Rinse options:** Two Extra Rinse options help ensure that messes and detergent are thoroughly rinsed away. Add it to heavily soiled clothes and loads with fabric softener to achieve an optimal clean.
- **Clean Washer with affresh® cycle:** Run the Clean Washer with affresh® cycle every 30 washes with an affresh® Washer Cleaner tablet or liquid chlorine bleach to thoroughly clean the inside of your washer.
- **American Company for Over 100 years:** Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years.
- **Stainless Steel Wash Basket:** The stainless steel wash basket is built tough to tackle years of washes. It's also backed by our 10-year limited parts warranty.*
