Model #: WTW6157PB

5.2-5.3 Cu. Ft. Whirlpool® Top Load Washer with Removable Agitator

This ENERGY STAR® Certified 5.2–5.3 cu. ft. Whirlpool® Top Load Washer gives you two ways to wash thanks to the 2 in 1 Removable Agitator. Wash the way you want by simply removing the agitator to fit bulky items, or keeping it in to help break down loose soils. Use the Deep Water Wash Option to add more water* when you need it and easily check on your laundry while it's washing with the EasyView™ Full-Width Slow-Close Glass Lid. The Smooth Spiral Stainless Steel Wash Basket helps prevent fabrics from snagging, so clothes come out looking their best.

*Bulky Items Cycle only available with deepest water level.

**Volcano Black
Dimensions**

Width: 27.375 in
Height: 42.75 in
Depth: 28 in

Features:

- 2 in 1 Removable Agitator: The 2 in 1 Removable Agitator lets you choose how you wash and care for your clothes by easily swapping the agitator post in or out. With two ways to wash, it's twice the washer you have at home.
- Deep Water Wash Option: Get more water to help break down loose soils. This option automatically adds more water to your load, so heavily soiled clothes get an optimal clean.*
- EasyView™ Full-Width Slow-Close Glass Lid: Enjoy a clean, streamlined look with the slow-close, see-through lid that lets you easily check on your load while it's washing.
- Smooth Spiral Stainless Steel Wash Basket: Help protect fabrics with this stainless steel wash basket that gently guides clothes during the wash.
- ENERGY STAR® Certified: ENERGY STAR® Certified models exceed government standards to help conserve natural resources and save money on your utility bills.
- Smooth Impeller Option: Easily remove the 2 in 1 Removable Agitator when your load needs a little more space to move. Impeller wash action cleans by rubbing the fabrics against each other, while the design of the impeller's surface helps drive clothes from the outer rim to the center, where the deepest cleaning happens.
- 5.2–5.3 Cu. Ft. Flexible Capacity: Wash more than 3 baskets of clothes in a single load* thanks to our washer with a flexible 5.2–5.3 cu. ft. Capacity. Keep the agitator in, or swap to the impeller for the extra room to wash bulky items.
- Expanded Finishes: Choose from a traditional finish like White or elevate your laundry space with the new Volcano Black finish. Available in a matching washer and dryer set, this sleek and stylish matte black finish will complete the look of your laundry room.
- 360 Wash Agitator Option: Thanks to the 2 in 1 Removable Agitator, you can easily reinsert the agitator whenever you want to switch back from the impeller. Multiple wash motions gently move clothes up, down and side to side throughout the cycle for a thorough clean in different water levels.
- Extra Rinse Option: Ensure dirty loads get the care they need with an extra rinse to wash away any lingering soils or detergent.
- Quick Wash Cycle: Your small, lightly soiled loads will be clean in as little as 30 minutes with the Quick Wash Cycle.*
- Lid Lock: Unlock the lid any time simply by pressing the Start/Pause button. The lid automatically locks when the load sensing phase begins, at which point the Lid Lock icon on the console is illuminated.
- Lid Lock: Unlock the lid any time simply by pressing the Start/Pause button. The lid automatically locks when the load sensing phase begins, at which point the Lid Lock icon on the console is illuminated.
- Single Load Dispenser: Add detergent and fabric softener to their designated compartments so each gets dispensed at just the right time during the cycle.
- Clean Washer with affresh® Cycle: Run the Clean Washer with affresh® Cycle every 30 washes with an affresh® washing machine cleaner tablet or liquid chlorine bleach to thoroughly clean the inside of your washer.
- An American Company for Over 100 Years: Whirlpool Corporation started in 1911 as a small company in Benton Harbor, Michigan. Today we are a global home appliance business selling products around the world. We are proud of our American heritage and ingenuity that have driven innovation for over 100 years.
