Model #: BCSD130WW

NEW - Glacier 30" 250 CFM 1.5 Sones White Range Hood

The clean, contemporary shape of Glacier complements any kitchen design. Brilliant halogen lighting and superior smoke and odor removal are a mere introduction to everything this hood has to offer.

#### Features:

- "The Captur™ system's advanced blower design features a forward positioned centric inlet to remove smoke and odor faster. Two-speed blower control exhausts at 250 CFM
- Smooth-flow blower wheel design and high flow filters ensure quiet, 1.5 Sones operation at normal speed
- Two-level, halogen bulbs flood the cooktop and surrounding area with generous illumination (50W bulbs not included)
- Hidden on/off rocker switches control blower speeds and light levels
- Dual dishwasher-safe, open-mesh filters provide efficient grease removal (model HPFA130 [service part # S99010430-002])
- EZ1 brackets make it easy for single-person installation in less than half the time of traditional methods
- ADA compliant, remote operation is possible using a standard UL approved wall switch. See Additional Information above
- Non-duct capable with use of charcoal filters (model HPF30 [service part # S97020466]), sold separately. Hidden louvers on top of hood exhaust away from cabinetry"
